

Introducing Cortellis Deals Intelligence

RECAP IQ is migrating to the next-generation platform Cortellis Deals Intelligence

Find Faster. Evaluate Stronger. Negotiate Harder.

We are excited to be offering you the enhanced version of Recap on Cortellis. You should now have access to both Recap and Cortellis Deals Intelligence.

In addition to all of the features and functionality you are used to on Recap please note the added value you are getting for the same subscription:

- Expanded deal coverage (80,000 deals in Cortellis, 30,000 more than in Recap)
- More early-stage deals, grants and funding agreements
- More advanced Effective Royalty Rates
- Additional international deals
- More manufacturing and supply agreements
- Addition of more granular phase information in drug deals, showing the product phase both at the time of deal signing and at present
- Linking of deals to Cortellis company profiles (new content, provided at no additional cost)
- Linking of deals to Cortellis drug profiles (for customers who subscribe to Cortellis Competitive Intelligence)
- Availability on the Cortellis platform, with a single login providing integrated access to the full breadth of Cortellis content licensed by your company
- More efficient searching and a modern platform
- Increased numbers of Deal Snapshots and visualizations (**NEW** Cortellis feature called Deal Overviews)
- Comprehensive alert and export features
